To Whom it May Concern:

Gateway Family Services, LLC operated from November 2016-October 2021. The company was forced to close its doors when unfortunate events outside their control came their way. As part of the unfortunate events, the company fell behind on payroll tax debt, which is currently being addressed by our company. Though it may take a few months to fully resolve, we have a plan in place and are actively working with the IRS to bring this issue to a closure.

Similarly named, but completely separate company, Gateway Family Services of Illinois registered to become a nonprofit August 2018 which was approved April 2019. Due to insurance contract delay, official operations for this entity began late 2020. This entity is in good standing with the IRS and the state of Illinois. All tax returns have been timely filed and all payroll liability has been timely paid.

It is requested the above facts and circumstances be considered.

Thank you for your attention to this matter.

Sincerely,

Carolyn Khaddaj, CPA
